

Enduro/X Core - Feature #136

Web sockets support and cluster protocol extension to JSON format

05/08/2017 10:54 AM - Madars

Status: Rejected	Start date: 05/08/2017
Priority: Low (Code 5)	Due date:
Assignee:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	
Description We might want to: - Add web sockets via https://libwebsockets.org/ c lib - Add another protocol format, based on JSON - Add documentation for JSON & Binary protocol This might allow to write Enduro/X cluster node connections from browsers, for example.
