

Enduro/X Core - Feature #203

xadmin ctrl+c handler

09/05/2017 09:38 AM - Madars

Status:	New	Start date:	09/05/2017
Priority:	Normal (Code 4)	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description Users recently exit from xadmin with ctrl+c, but this from ndrxd aspect looks like process died, thus we could add handler on SIGINT/SIGTERM and perform clean shutdown of xadmin (tpterm() etc..) ULOG shows: <div>0:20170905:13502800:ndrxd :Client process [xadmin], pid 20457 died</div> <div>0:20170905:13503400:ndrxd :Client process [xadmin], pid 20457 died</div>
