Description

History

#1 - 07/24/2022 07:38 PM - Madars

- Subject changed from duplicate server may be started, if died server is rebooted by ndrxd and meanwhile started by xadmin CLI tool to Duplicate server may be started, if died server is rebooted by ndrxd and meanwhile started by xadmin CLI tool

#2 - 07/24/2022 07:40 PM - Madars

Release notes

ndrxd has been updated so that concurrent xadmin start call for died server which is being already respawned by ndrxd, will report back to xadmin start the status of the respawned server, instead of starting new server copy.

Available from Enduro/X release 8.0.6+.

#3 - 07/24/2022 07:40 PM - Madars

- Status changed from New to Resolved

- % Done changed from 0 to 100

#4 - 07/24/2022 07:40 PM - Madars

- Status changed from Resolved to Closed
